HOME TOWN STUFF

The United States Mail furnishes some aid for today's chores. From Carlsbad, N. M., comes a post card bearing on the reverse side a picture of a portion of the Carlsbad Caverns, which has come to be one of the famed points of interest in this country. On the front side of the card is this message: "A trip you should make for it is a wonderful place. Then on a blue Monday you have something new to write about for quite a while." The message is signed by Mrs. A. P. Howard and Mrs. W. E. Bradley, Jr., and children.

The Carlsbad Caverns, from all accounts, must be one of the wonders of the world. Some people who have visited by the Mammoth Cave in Kentucky and Carlsbad Caverns declare that the New Mexico cave is far more wonderful and scenic than the Mammoth Cave. Having never visited either of these dugouts, H. T. is not to vote on the question. Ordinarily, he would be inclined to favor the Carlsbad cellar, because it is a little nearer the Wilbarger County courthouse. But New Mexico goes Republican about as often as Kentucky and therefore, H. T. will not declare himself until he has seen both.

From way down in the "Magic Valley" of South Texas comes another communication, signed by Calvin J. Britton of McAllen. The main business of the letter was that it contained an order for a six months' subscription to this newspaper and attached a post office money order to pay for same, but the principal part of the letter was addressed to the writer of this column. "You probably don't know me, very likely don't, but I have been an admiring reader of your column since I can remember, up to about the first year when we moved to the 'Magic Valley,'" and to this is added the statement that writer wants the paper and doesn't feel at home without it.

The newspapers from various parts of Texas containing write-ups of Vernon and Wilbarger County, following the visit of the Texas Press Association, are beginning to arrive. The Chamber of Commerce is offering prizes for the three best write-ups appearing in Texas newspapers and as soon as the awards are made, it is planned to publish in the local papers the first prize-winning article and possibly the second and third winners. Vernon never made an investment in publicity that will prove as fruitful as the cost of entertaining the editors with a trip to Vernon as a feature of their annual convention in Wichita Falls.

O. C. Harrison, editor and publisher of the Baylor County Banner at Seymour, was in Vernon late Saturday evening for a short time. He is planning to issue a big special edition early in September celebrating the fiftieth anniversary of the founding of the town of Seymour and is already at work on the task of gathering materials and selling advertising in Wilbarger County, but we haven't a thing on Baylor County. Considering the smaller valuations and higher tax rate in Baylor County, they have done better.

Salesman Dies.
Greenville, Texas, June 24.—(A-P)—Will A. Perkins, 65, traveling salesman, well known throughout the state, died suddenly at his home here yesterday.

BOURLAND AND ADVISERS TO DISCUSS WORK

Conference Will Be Held in
Stamford to Determine Im-
mediate Program of Activity
—Very Little Change Antici-
pated Here.

Immediate policies for the management of the West Texas Chamber of Commerce will be mapped out at a conference in Stamford Wednesday. It was announced here today. A. M. Bourland, Vernon president and acting manager of the West Texas organization, until the October convention in El Paso, will confer with his advisory committee there.

Members of the committee are Clifford B. Jones, Spur, E. W. Haynie, Abilene, Joe A. Wheat, Seymour, and R. H. Nichols, Vernon.

Mr. Bourland would make no statement here as to subjects likely to be discussed at the meeting, indicating that the general policies mapped out by Homer D. Wade who recently resigned from the management of the organization to accept a place with the Dallas Chamber of Commerce would be followed. It was indicated that a conservative policy would be carried out.

GASOLINE TAX BILL REPASSED

MEASURE GIVEN 101 VOTES
TO MAKE POSSIBLE
EARLY ACTION

Austin, June 24.—(A-P)—The House re-passed the four-cent gasoline tax bill today in order to obtain the 100 votes necessary to place it in immediate effect should the Senate favor it. When passed last Friday there were only 84 affirmative votes. The vote was 101 to 16 today.

The Board of Education bill passed by the first special session was amended to make the caption conform to the body of the law. The bill was signed by the Governor, but there was question about its validity because the caption proposed the election of the superintendent of public instruction and the body was silent on this point.

The House also re-passed the prison concentration and relocation bill in order to give the benefit of the emergency clause. It received 112 votes to 2.

SCHOOL CENSUS REPORT SHOWS SMALL DECREASE

Completion of the 1929 school census report for Wilbarger County showed 6,384 school children living in the county. The report, including children between the ages of 7 and 17, was sent to the State Board of Education this week. The State allows \$15 for each pupil registered between these ages.

The report showed a decrease of 353 children of school age from the 1928 report, when 6,737 were registered.

The census report showed: Vernon, 2,785; Harold, 327; Odell, 195; Oklahoma, 540; and the rural schools, 3,137.

BRADSHAW IS ABLE TO MOVE SELF ABOUT SOME

Ben Bradshaw, Vicksburg, Miss., who has been confined to a local hospital since May 27, is able to move around some with aid from attendants. Bradshaw was taken from a freight car here in an unconscious condition and was found to be paralyzed in his right side. He is able to move his right leg now with some help.

No information from his relatives has been received from Vicksburg to date by local officials who are attempting to locate friends or relatives of the injured man.

HOOVER NOT TO ATTEND ASHEVILLE PRESS MEET

Washington, June 24.—(A-P)—President Hoover today told Representative Aswell that he would be unable to accept the invitation of the Southern Newspaper Publishers Association to deliver an address at Asheville, N. C., on the 4th of July.

MARKED WOOL TARIFF HIKE URGED AT CAPITAL

Washington, June 24.—(A-P)—Substantial increase in the duties on raw wool and wool waste, which would double and treble some of the rates provided in the House tariff bill, were advocated before a Senate finance sub-committee today by F. J. Hagenbarth, Spencer Idaho, president of the National Wool Growers' Association.

The witness said it was necessary to have a higher rate on wool waste of all varieties, declaring wool imported last year displaced one third the American production of virgin wool. He asked that the present thirty-one cent a pound duty on raw wool, which the House bill raises to 34 cents be further advanced to 36 cents.

John E. Snyder, of the Hershey Chocolate Corporation, of Hershey, Pa., told the sub-committee on agriculture schedules, that he was opposed to the proposed duties on almond imports in the House tariff bill. He declared imported almonds were superior in quality and said that the domestic output amounted to but a third of the demand.

FIVE KILLED IN AIR ACCIDENTS

PARACHUTE JUMPS PROVE
FATAL TO TWO IN
WEEK-END LEAPS

(By The Associated Press)

Five persons were killed in week-end airplane and parachute jumping exhibitions.

Two were parachute jumpers who fell when their parachutes broke. At Cincinnati, Joe Hite, parachute jumper, Homer Naser, the pilot and Harold Biddle were burned to death when their plane burst into flames.

E. J. Cain, 23, commercial flyer, fell 2,000 feet when his parachute rigging parted as he essayed an exhibition jump at Albemarle, N. C.

William Lowry, 24, at Parma, Ohio, was torn from his parachute when it opened 1,800 feet in the air.

TWO SUSPECTS HELD IN DAY & NIGHT ROBBERY

Two men are being held here today on charges of vagrancy and are being questioned in connection with the robbery last week of the Day & Night Grocery store on Fannin Street.

The grocery store has been entered in the same manner twice during this month. Cigarettes were taken the last time, and tobacco was taken the first time.

INSURGENT CHIEFTAINS SURRENDERING IN MEXICO

Mexico City, June 24.—(A-P)—Dispatches to Mexico City from Guadalajara say insurgent chieftains are surrendering in view of the agreement on the religious question.

Their action followed an aerial bombardment of the insurgent camps with statements announcing religious services soon will be resumed.

BRITISH LAWMAKERS TO OPEN SESSION TUESDAY

London, June 24.—(A-P)—Parliament convenes tomorrow for the first time since the general election of May 30.

The meeting tomorrow will be for the purpose of swearing in members, with interest centered on the next Tuesday's session, when the speech from the throne, read by Lord John Sankey, new Lord Chancellor, will be read.

PRISONER GETS FURLOUGH TO VISIT HIS SICK WIFE

Austin, June 24.—(A-P)—Governor Moody today granted a 30-day furlough to Greenwood Reed, convicted of burglary in Erath County in 1927, in order that the prisoner might visit his wife who is ill.

Three Mexicans Held.

Mexico City, June 24.—(A-P)—Dispatches to Mexico City newspapers from Queretaro today said three former state deputies had been arrested following attempts to establish an independent Congress in the state.

OPPOSITION TO TEXAS RAILWAY RULES HEARD

Amendment to Regulation That
Would Permit Shippers to
Designate Compress at Which
Cotton Is To Be Compressed
Is Sought.

Fort Worth, June 24.—(A-P)—An abolishment of or amendment to the rule of the Texas Railroad Commission on compression-in-transit in order that cotton shippers may designate the compress at which their cotton is compressed is sought in the petition the Texas Railroad Commission is considering at a hearing here.

The petition was filed by C. E. Wilcoxson and his associates, who do business both at McKinney, Texas, and Chickasha, Okla.

Commissioner C. V. Terrell and Chief Rate Clerk O. D. Hudnall, are representatives of the commission. Chairman Clarence E. Gilmore is expected to arrive tonight.

Another hearing will open Tuesday involving conservation and prevention of waste crude petroleum and natural gas in Yates field, Pecos County. Gilmore will preside at one hearing and Terrell at the other.

TWO KILLED IN AUTO ACCIDENT

THIRD PASSENGER HURT
WHEN CAR OVERTURNS
NEAR BIG SPRING

Big Spring, Texas, June 24.—(A-P)—James Prichard and Frank Jones of Big Spring were killed last night when their automobile overturned west of here on the Bankhead Highway. A third passenger was injured seriously.

SCHOENAIR WILL MAKE ANOTHER RECORD ATTEMPT

Dubuois, Pa., June 24.—(A-P)—Thwarted by bad weather and an accident, Lee Schoenair, West Coast pilot, was supervising repairs to his plane today in preparation for another attempt to set a trans-continental non-stop flight record.

His plane was damaged yesterday when he tried to take off for Roosevelt Field, N. Y., after having been forced down by thunderstorms and falling oil pressure.

He arrived here from Cleveland from where he had been forced down by fog Saturday night after a flight of 14 hours and nine minutes from Los Angeles, at an average of 170 miles an hour.

IOWA FARMER KILLS WIFE, HIRED MAN AND HIMSELF

Dows, Iowa, June 24.—(A-P)—Joseph Fromm, 65, farmer, today shot and killed his wife and his hired man, Earl Fischer, 21, and then committed suicide. Fischer's body was found, unclothed, lying on the floor of Mrs. Fromm's bedroom. She lay dead on the bed.

Having killed his wife and hired man, Fromm went upstairs and apparently placed the shotgun between his legs, pulled the trigger with his toes, and killed himself.

USES OF NARCOTICS AT OHIO UNIVERSITY STUDIED

Columbus, Ohio, June 24.—(A-P)—The use of narcotics at the veterinary school of Ohio State University was under the investigation of Federal officers today upon the admission of Dr. James H. Snook, dismissed professor, that Theora Hix, 25-year-old co-ed and office assistant whom he confessed slaying, had begged frequently for narcotics.

PRESIDENT GIL MUSTERS OUT AGRARIAN TROOPS

San Luis Potosi, Mexico, June 24.—(A-P)—Principles of the Mexican revolution—as the movement which supports the present government—is called—were propounded by President Emilio Portes Gil here in mustering out 7,000 Agrarian troops used to combat the recent rebellion.

Unusual mention was made of General Plutarco Alias Calles; former president.

LEE HIGHWAY PAVING WILL START NEAR JULY 15

Actual paving on Highway 28, Lee Highway in Texas southwest from Vernon to the Foard County line will begin about July 15, County Engineer John Nabers said today, following the arrival of H. T. Cunningham, construction engineer for the McClung Construction Company of Fort Worth, which was awarded the paving contract.

Preparations for paving have already been started with pipelines being placed along the highway. A new mixer has been shipped for the work and should arrive within the next few days. Some of the equipment has already arrived.

Wilbarger County will be the first county in Texas to complete paving of the Lee Highway entirely across the county.

Paving will be started one and a half miles west of Lockett about eight miles from Vernon and will be paved into Vernon. This first strip of eight miles is to be completed about September 1, and will be in use by September 20. Following completion of this strip paving will start at the county line and connect with the first eight miles of paving.

The paving contract in Wilbarger County calls for 13,313 miles. Paving in Foard County is to be done by the same company but will probably start sometime later. The Foard County contract calls for 15,83 miles of concrete.

FOUR KILLED IN AUTO WRECK

VICTIMS NOT IDENTIFIED
SOON AFTER TRAGEDY
NEAR TULSA

Tulsa, Okla., June 24.—(A-P)—Four persons, three men and a woman, were killed early this afternoon in an automobile wreck ten miles east of Tulsa on U. S. Highway No. 66. None was identified immediately. A report the four victims were from Seminole, Okla., and were on their way to a district American Legion convention at Miami, Okla., could not be verified.

M'ALESTER SLAYING IS PUZZLING TO OFFICERS

McAlester, Okla., June 24.—(A-P)—With the release of five persons who had been detained for questioning, authorities today were back where they started in their efforts to solve the mystery of the death of Louis Nix, 25, Hartshorne blacksmith, whose battered and charred body was found yesterday in the ruins of his home.

The five persons, Mr. and Mrs. Fred Skaggs, Elsie Hancock, Gertrude Johnson and Jack Walters, known to have been with Nix on a swimming party, were released last night after a day of questioning. Frank Watson, County Attorney, said so far as could be learned they were the last persons seen with Nix, but that questioning showed none of them could have been connected with Nix's death.

KANSAS WHEAT HARVEST DELAYED BY BIG RAINS

Topeka, Kas., June 24.—(A-P)—Wheat harvest in southern and eastern Kansas was retarded today following heavy rains over the week end and which also fell to a lesser extent over the western portion of the state.

S. D. Flora, Federal meteorologist, said harvest would not be delayed in the western third of the state as it had started at only a few points.

FIRE CAUSES \$35,000 LOSS AT WICHITA FALLS

Wichita Falls, Texas, June 24.—(A-P)—Fire wrecked the Mack Thomas building here Sunday, causing loss estimated at \$35,000. Several small shops and a commercial college suffered greatest damage.

Infant Dies.
Estell Cocks, aged five months, daughter of Mr. and Mrs. C. D. Cocks of Parsley Hill, died at her home Saturday afternoon. Funeral services were held at Lockett and interment was made in the Lockett Cemetery yesterday afternoon.

TUNNEY REPLY TO SUIT FOR \$50,000 FILED

Former Heavyweight Champion
Denies He Ever Asked Di-
vorcée to Wed Him But Dis-
closes He Paid Her Money to
Free Claims.

Bridgeport, Conn., June 24.—(A-P)—James J. (Gene) Tunney, retired heavyweight champion of the world, in answer today to the \$50,000 breach of promise suit brought against him by Mrs. Katharine King Fogarty of Fort Worth, Texas, and New York City, denies he had ever asked her to marry him, but reveals he had paid her sums of money in excess of \$35,000 to "relinquish all claims on him."

H. P. LUCAS OF ELLIOTT DIES

FUNERAL SERVICES TO BE
HELD TUESDAY AT
BAPTIST CHURCH

H. P. Lucas, 69, died this morning at 1:30 o'clock at his home, one mile south of Elliott Community, following a long illness. Funeral services will be held at 10 o'clock Tuesday morning from the family residence with Rev. W. W. Smith, pastor of the Elliott Baptist Church, in charge of the services. Interment will be made in East View Cemetery.

Mr. Lucas has lived in this county a number of years, and has been engaged in farming near Elliott. He is survived by a widow, five sons and two daughters, all of whom live in this county.

They are: P. B. Lucas, W. W. Lucas, B. G. Lucas, H. D. Lucas, W. E. Lucas, Mrs. Viola Pennington, and Mrs. Ethel Blacklock. The Underwood Funeral Home is in charge of the funeral arrangements.

HOOVER HOPES TO EQUAL COOLIDGE BUDGET FIGURES

Washington, June 24.—(A-P)—President Hoover is hopeful of keeping expenditures of the Federal Government within the budget figures of the last year of the Coolidge administration.

Instructions in line with the chief executive's wish today were in the hands of all department and independent bureau heads and their attention had been called to the none too easy task before them. The order was signed by R. O. Kloeber, acting budget head pending the taking over of office of J. C. Roper, recently selected to succeed General Board.

AGRICULTURAL PROBLEMS PROBED AT DALLAS MEET

Dallas, June 24.—(A-P)—Agricultural problems from an engineering viewpoint were before the American Society of Agricultural Engineers here today at their twenty-third annual convention. The meeting will last through Thursday.

Soil erosion, cotton culture, electrification of rural communities, refrigeration, health and sanitation were among the chief topics for convention work.

DEMOCRATIC LEADER OF IOWA CLAIMED BY DEATH

Fort Dodge, Iowa, June 24.—(A-P)—M. F. Healy, 66, who seconded the nomination of Alfred E. Smith at the Democratic convention in Houston last year, died today after a long illness. He long had been a state Democratic leader and had been a delegate to eight national conventions. He was one of the organizers of the Iowa Smith-Robinson club a year ago.

PRISONER BEING TRIED FOR ASSAULT ON JAILER

Dallas, June 24.—(A-P)—The trial of H. R. Armstrong, charged with assault to murder, was up in Criminal Court today.

Armstrong, with William Pruitt, Jr., and J. W. Myers, all convicted of major crimes, staged a desperate attempt to escape from the Dallas County jail May 18 and assaulted R. B. Caldwell, deputy sheriff.

DAY WILL JOIN SINCLAIR IN PRISON TODAY

Washington, June 24.—(A-P)—Henry Mason Day, vice president of one of the Sinclair oil companies is expected to join his chief, Harry F. Sinclair, in jail before the day is over.

Day was ordered committed to the District of Columbia jail Saturday to begin serving a four months sentence for contempt of court in connection with jury shadowing activities during the trial of Sinclair and Albert B. Fall on conspiracy charges. Day's counsel today advised the district attorney his client would join his employer before midnight. It was explained Day refused to name the hour he expected to surrender because of a wish to avoid publicity and he may, like Sinclair, await nightfall before entering the jail.

Sinclair Saturday began serving a six months sentence for his part in the jury shadowing but this sentence runs concurrently with one for three months for which he is already in jail, and under this arrangement the time Sinclair will remain in prison for the two sentences was shortened about 30 days.

STATE INCOME TAX DEFEATED

HOUSE REFUSES TO ORDER
MEASURE PRINTED ON
MINORITY REPORT

Austin, June 24.—(A-P)—The state income tax bill killed for this session today when the House of Representatives refused to order it printed on minority report. The vote was 55 to 59.

The committee on revenue and taxation had refused to report the bill favorably, 10 to 8. Representative T. N. Mauritz of Ganado, author of the bill, stated the minority report had been signed by seven members of the committee.

Mauritz's motion to print brought sharp debate on the floor of the House, with several speakers predicting the income tax would be the chief issue in the next gubernatorial campaign. Mauritz recently announced his candidacy for governor on that issue.

TEXAS NEW MEXICO LINE CONFERENCE ADVOCATED

Austin, June 24.—(A-P)—Introduced for the purpose of clearing titles on 8,000 acres of property in El Paso County, Senator Benjamin F. Berkley, Alpine, today offered a concurrent resolution asking that a Texas-New Mexico committee confer on changes in the boundary line created by a ruling of the Supreme Court of the United States in 1925.

Two Senators and three members of the House of each state would constitute a committee to adjust property rights of land owners affected by the decision, which placed a part of the 8,000 acres definitely within Texas.

THREE SHOT AS BANDITS RAID SCHOOL DICE GAME

Chicago, June 24.—(A-P)—Three boys, shooting dice on a school playground, were shot yesterday by bandits armed with shotguns and pistols, who "stuck up" the game in which nearly three score youths were taking part. The youths ran when their luck appeared, flourishing pistols and a shotgun. The robbers fired into the group, wounding Jack Tokowitz, 15, his brother, Louis, 14, and George Rodemsky, 19. The bandits scooped up the money on the ground and escaped in an automobile.

BANDITS DYNAMITE FORT WORTH SAFE, GET \$450

Fort Worth, June 24.—(A-P)—Two well dressed white men today tied a negro porter at the Central Pharmacy, dynamited two safes in the store and escaped with nearly \$450.

The ransacking of the store was described an hour afterward by Frank Goodspeed, the porter, who had gone into the building to clean up. Goodspeed, his hands and feet bound with baling wire, had succeeded in removing a handkerchief from over his face. His calls were heard by a passerby.

FEAR HELD AS WRECKAGE OF PLANE SIGHTED

Reported Sighting of Flare 400
Miles Off Cape Race Gives
Rise to Conjecture Flyers At-
tempted Non-Stop Atlantic
Crossing.

Madrid, June 24.—(A-P)—Alarmed by the disappearance of Major Ramon Franco and three companions on a flight to New York by way of the Azores, Spanish authorities today dispatched destroyers and airplanes to scout the sea between the Spanish coast and the Azores.

The government was particularly eager to run down a report from the British merchant ship Gredlen stating this ship saw airplane wreckage floating in the sea about 100 miles off the Azores. There were no persons aboard.

As soon as this report was received, the ministry of the navy dispatched five destroyers from Ferrol with orders to patrol the district northeast of the Azores in the hope of finding this wreckage, identity of which was not established definitely by the Gredlen. The destroyers were the Alsedo, the Sanchez, the Barcizague, the Velasco and the Lazaga.

In addition to sending out this squadron as well as others the ministry requested all steamers in the area surrounding the Azores to keep a sharp lookout in the hope of sighting the wreckage and determining its identity.

The plane, a Dornier Wal-Hydro-airplane left, Caragena, Spain, Friday afternoon. Several messages from from it were picked up the first twelve hours after the departure. On Saturday morning the Portuguese warship Vasco Dagama reported picking up a message from Captain Franco stating he had reached the Azores and would continue to (Continued on page 2.)

TWO GANGSTERS DIE IN BATTLE

MIDNIGHT GUN FIGHT IS
STAGED ON KANSAS
CITY STREET

Kansas City, June 24.—(A-P)—Two gangsters, one wanted in Chicago and Los Angeles for murder, are dead and a third is in a hospital wounded following a midnight gun battle among themselves in front of a fashionable hotel here Saturday night.

Five men who had been drinking in a room in the hotel, police said, walked out of the building quarreling over a revolver. Several minutes later they began shooting at each other while huddled on the sidewalk. Two of the men whose names were not learned by the police escaped.

Ben Barretti, 42, alias Fred Roberts, was killed instantly, and Arthur Hartman, 35, was fatally wounded. Kearns Pumpsey, alias Kearns Humphrey, was shot in the back. Hospital attendants said he would recover.

SAYS GERMANY WILL NOT STAND FOR COMMISSION

Berlin, June 24.—(A-P)—Foreign Minister Stresemann told the Reichstag today that Germany would not stand for the installation of a commission in the Rhineland as the price of its evacuation.

At the same time he declared President Von Hindenburg and the members of the Cabinet would support the manifestations this week against the treaty of Versailles especially the clause by which Germany acknowledged sole guilt for the war.

The Foreign Minister's statements were made in the course of a speech replying to severe criticism by Count Westarp, leader of the nationalists.

PROMINENT CALIFORNIA BANKER DIES SATURDAY

Santa Monica, Cal., June 24.—(A-P)—J. Dabney Day, banker, formerly of Dallas, died at his home here Saturday night. He was born in Ladonia, Texas, in 1872, and had been prominent in California banking circles ten years.

Farmer Dies.

Corsicana, Texas, June 24.—(A-P)—I. N. Lindsey, 75, retired farmer of Navarro County, died Saturday night.

The elder Mr. Hagler left Vernon about 20 years ago and moved to Fort Worth. About three years ago he moved to California.

The body will be returned to Fort Worth Wednesday where funeral services will be held. Mr. and Mrs. J. D. Hagler, Jr., and Mrs. Herbert Farrell, a daughter of Vernon, will go to Fort Worth for the funeral services.

Other children are: Mrs. Bert Lisan of Vernon, Mrs. Joe O'Keefe and Mrs. William Hogan of Fort Worth, Mrs. Herbert Gibson of Tulsa, Okla., Miss Katherine Hagler of Fort Worth, Fred, Travis, Clinton, Carroll, and Clifford Hagler of Los Angeles, and William Hagler of Colorado.

Fear Held as--

(Continued From Page 1)

New York Sunday. When the flyers could not be located anywhere in the Azores, fears for their safety began to arrive until it was decided to send destroyers to look for them.

Whether they came down at some isolated point in the Azores, losing the use of their radio on lighting in the water after sending a message of their arrival, or whether they decided to continue straight on to New York without stopping, were questions unsolved early today.

New York, June 24.—(P)—A steamship's report of the sighting of a plane, believed that of an airplane, 400 miles south of Cape Race, Newfoundland, Sunday morning, caused curiosity today as to whether the Spanish trans-Atlantic flyers attempted to cross to the American continent without first stopping at the Azores.

Since more than enough time had elapsed since the sighting of the supposed plane for the Spaniards to reach the Azores, it was presumed that if the plane had made such an attempt it was down in the Western Atlantic or in an isolated spot in the east Atlantic seaboard.

The Radio Marine Corporation picked up a message from the freighter Buffalo Bridge saying that 8:40 a. m. G. M. T. Sunday (12:40 a. m. E. S. T.) in latitude 40°04' north, longitude 50°57' west, it had observed "a flare of light bearing six degrees true at an altitude of ten degrees."

The radiogram added that the object was apparently an airplane. The position given was approximately 400 miles south and slightly east of Cape Race, on the route the plane probably would have followed had it attempted to cross without stopping. The time, also, was about that the Dornier Wahl plane Major Ramon Franco and his three companions would have required to reach that point.

LEGION TO PLAN PICNIC
AT TONIGHT'S MEETING

A regular meeting of the Vernon Albert E. Robinson Post No. 67 of the American Legion will be held tonight at the Legion Hall on Marshall and Deaf Smith Streets at 8 o'clock. Final plans for the picnic to be held next Saturday night and Sunday are to be discussed.

Plans will also be made tonight for the Legion's part in the July Fourth, celebration to be held here.

BIG BILL TILDEN WINS
FIRST WIMBLEDON MATCH

London, June 24.—(P)—Big Bill Tilden, ranking American tennis star, opened his campaign for the British singles championship at Wimbledon today by trouncing H. V. S. Dillon of Ireland, 6-1, 6-1, 6-2.

Flashing samples of his play of younger days Tilden literally swept the Irish star off the famous Centre court.

New York, June 24.—(P)—Cotton opened steady at a decline of 1 point to an advance of 5 points, with July lower under further liquidation. There seemed to be commission house buying of later months on a less favorable view of the weather. Early offering of July were absorbed by trade buying against sales of later deliveries at difference of about 44 points between July and October and the general market was steady after the call. July rallied to 18.03 and December to 18.63, with prices ruling around 8 to 10 points net higher at the end of the first half hour.

The market held steady later. Trade interests seemed to be absorbing the July liquidation at a difference of about 43 to 45 points between July and October and of about 66 points between July and December. This combined with some commission house buying of later months. Absorbed offerings and sent prices up to about 18.70 for July and 18.71 for December or about 10 to 13 points net higher. The market was quiet but within a point or two of these figures around midday.

Opening: Jan. 18.57-b; March 18.69-b; July 18.26; Oct. 18.33; Dec. 18.54.

New Orleans, June 24.—(P)—The cotton market opened steady in response to relatively higher cables. Although July showed no change from Saturday close October and December opened 2 to 3 points up. Values remained at the initial figures for a time but later a good demand from spot interests for July developed.

July traded up to 18.35, October 18.93 and December 18.53, or 6 to 9 points above Saturday's close. At the end of the first hour the market was steady and at the high.

The market ruled steady throughout the morning due to the apparent completion of July liquidation here and in New York. That delivery remained at the earlier high while later positions further improved to 18.41 for October and 18.60 for December, December, or 10 to 11 points above Saturday's close.

The official forecast for thunder showers further supported the market, and at mid-session the undertone was steady but prices had receded 5 points from the best under realizing.

SECOND HALF OF SUNDAY SCHOOL CARD OPENS TODAY

INTENSE INTEREST IS SHOWN IN RACE AS CLUBS PREPARE FOR FINAL DRIVE FOR HONORS

The second half of the Vernon Sunday School baseball league season begins today with a game between the teams of the Baptist and Presbyterian Sunday Schools. The game will start at 6:15 on the City Park field.

Buzbee or Carl Simmons will start the hurling duties for the Baptists, and Bourland will probably begin in that capacity for the Presbyterians today, but the remainder of the line-ups are doubtful before the game starts. Several new players for every team in the league will make their debut this week, and fans will see the various managers try out and weed out new players and old ones. An especial effort no doubt will be made to wallop the Baptists this half.

The Baptists got off to a good start and maintained a perfect lead throughout the first half of the season. Would-be threats were dangerous only a few times, and had the Baptists lost to every serious threat, they would still be in the lead.

The Methodists, runners-up for the first half, were slow in starting, but with the shifting of the line-up and the addition of two pitchers, a bold front was for a time extended into the league play. This front, backed by fair playing but not in the least sensational, won for the Methodists three games and second place rating. They lost both games to the Baptists and the first game of the season to the Presbyterians, the latter's lone victory.

After all, the Christian club offered the strongest opposition and the biggest threat of the league winners, although that team finished the half in third place with only two victories. The game scores for the latter part of the half show that the Christians presented a threat that came very near upsetting things. This called for better work on the part of the winners and runners-up, and a brand of baseball seldom seen in Sunday School leagues or even small town leagues was the result. The second half is bound to see more of this interesting type of baseball, for better and bigger lists of candidates will be presented.

Youth will present itself to the playing interests of the second half of the season with each team represented, according to the managers of the teams. Sunday Schools in Ver-

non yesterday revealed a striking number of younger men present who will try for berths on the teams. The Presbyterian club, undisputed occupant of the cellar, will offer a revised line-up, beginning with the game today and it is safe to expect a brave attempt from this quarter. In Bourland the team possesses a hurler of merit, and with sufficient fielding support, he can give his opponents something to worry about each time the team is on the field.

It is just as difficult to predict the outcome of the final half as it was at the first of the season. A greater interest has caused the enlistment of enough players to present a new team from each organization, and the best of these new players, combined with the cream of the first half should bring out larger numbers of excited fans and supporters.

The league standing at the close of the first half:

Team	P. W. L. Pct.
Baptist	6 6 0 1.000
Methodist	6 3 3 .500
Christian	6 2 4 .333
Presbyterian	6 1 5 .167

Mighty Fleet to Enter Boat Race at Poughkeepsie

Poughkeepsie, N. Y., June 24.—(AP)—Old man river rolling along to the sea has felt the pulsing beats of many a great race, but his ancient depths seemed to quiver with a new thrill today to receive the mightiest college fleet ever brought together for national championship honors.

Drawn up in imposing battle array for the grand climax of the 1929 rowing campaign were twenty-two crews, representing nine institutions from the east, middle-west and Pacific coast.

Starting at 5:15 p. m.—(Eastern Daylight Time)—seven will row for freshman honors at two miles, six more boats will go to the marks for the three mile junior varsity race at 6:15, and an hour later, as a record smashing finale, nine slim cedar craft will begin the four mile battle for blue ribbon varsity honors.

YANK-ATHLETIC ATTENDANCE IS HIGHEST EVER

Admission for Five-Game Series in Three Days Total 184,096 —Philadelphia's Wm. Rubner Contest Sunday.

(By The Associated Press.) That hysteria in and about the Yankee Stadium now is recent rather than current, and the boys are busy checking up the net result, artistic and financial. The Athletics nipped the champions 7 to 4 before some 5,000 in the fifth and rubber game yesterday, but the really important transaction took place in the counting house. Exactly 184,096 New York fans paid their way at the gate in three days, making the series a complete victory for Edward Grant Barrow regardless of what happened to Huggins.

The attendance set a new record for a single series, beating the mark of 177,152 made by the same teams at the same park last September in three afternoons.

Although the victory of the Athletics by three games to two was, of itself, hardly decisive, the lead of the Mackmen was stretched to eight and one-half games, and the impression spread among metropolitan fans that here, indeed, were the coming champions.

The defeat coupled with the 6 to 5 victory of the Browns over the White Sox, dropped the champions into a tie with St. Louis for third place.

Detroit nosed out Cleveland by 8 to 7, advancing to within one game of the Yanks and Browns, and Washington won from Boston by 7 to 1 in other American League engagements.

The National League campaign witnessed the third straight victory of the Pirates over the Cubs, 8 to 7. The Reds shaded the champion Cardinals 4 to 2 and the Brooklyn Robins

DENNY IN AMUSING FLIM AT PICTORIUM TODAY

One of the most entertaining and really funny comedies seen in many months, "Clear the Decks," Universal's latest production, starring the fascinating Reginald Denny, is being shown at the Pictorium Theatre today and Tuesday.

It is a hurricane of laughs and keeps the audience in a constant state of mirth from the opening "shot" to the final "closeup." If the reaction of the spectators is at all accurate as an indicator, this picture should add immensely to Mr. Denny's already overwhelming popularity.

Denny portrays the part of a young millionaire, recently returned from an extensive trip to Africa, who falls in love with a strange girl whom he sees in a dining room of an exclusive hotel. He is unable to ascertain her name but learns that she is sailing that day for an ocean voyage.

Much Interest in Heavyweight Bout Thursday Night

New York, June 24.—(AP)—Heavyweights in general and Paulino Uzcudun and Max Schmeling more particularly, will take virtually all of the nation's fistic stage this week.

The so-called German Dempsey and the Spanish woodchopper clash over the 15-round route at the Yankee stadium on Thursday in one of the year's most important bouts. Some of the more optimistic of fans believe that out of the bout will come the next occupant of the heavyweight throne vacated by Gene Tunney.

YALE THEOLOGY TEACHER DENIED U. S. CITIZENSHIP

New Haven, Conn., June 24.—(AP)—Prof. Douglas C. Macintosh Dwight, professor of theology in Yale divinity school, who would not promise to "defend the United States against all enemies" was denied American citizenship by Federal Judge Edwin S. Thomas today.

CLUBS MOVE TO NEW SCENES IN TEXAS LEAGUE TODAY WITH NORTHERNERS WAY OUT FRONT

(By The Associated Press) Four southern clubs, somewhat the worse for wear, prepared to open new series today against the fierce northerners.

The bedraggled Buffs, recipients of four straight cuffings from the revived Sports, move in to battle the leading Dallas Steers, while the Beaumont Exporters, likewise the victims of a sweep series at Dallas, commuted to Louisiana for a go round with the Sports. San Antonio was at Wichita Falls for three days, in which four games are to be played, while Waco prepared to joust the climbing Cats.

Results of the four opening series in the upper country left two things fairly apparent. The strength of the Roberts circuit definitely has settled in the northern precincts after two months of uncertainty. Of the thirteen contests just reeled off, the lads from the south came out on top in just two instances. The second division today is thick with southern clubs.

Then there is the matter of the split season. Even a week ago there wasn't a club president in the state who wouldn't froth at the mouth when a split was mentioned. But just let this go on a few days longer and the matter is apt to be given some very serious consideration when the moguls foregather for their mid-term convention.

Sergeant George Connally, latest addition to the Dallas mound staff, who was taken over the bumps in his initial appearance last week, redeemed himself in a big way as the Steers gave the Exports a farewell boot, 2 to 1. The former White Sox ace limited the Shippers to four hits, a homer by Lyman Lamb producing the only score again.

The Cubs won their only verdict in four starts at Wichita Falls when Duncovich bested Steengrafe, 4 to 3, in the first of yesterday's double bill. Bill Warwick's homer gave the Cubs the difference. In the second tilt the Spuds bunched nine hits and six passes off Cheeves and Harris to win 8 to 4.

Jimmy Walkup turned in his elegant triumph when his mates slugged

WIMBLEDON TENNIS PLAY GETS UNDER WAY TODAY

London, June 24.—(AP)—The British championships, greatest of all tennis spectacles, opening on Wimbledon's famous courts today, had an entry list in excess of 200. The only notable absentee is Rene Lacoste, of France, men's single champion last year. He decided he would have to apply himself to his business at Paris.

ged the Indians into submission, 17 to 9, in their final at Fort Worth. Wild Dick Moudy essayed to pitch for the tribe, but was relieved by Messenger before he got anybody out. The Sports came from behind to win both games of their double bill with the Buffs, 6 to 1 and 5 to 3.

DOUGLAS FAIRBANKS TO COME TO VERNON SOON

The inimitable Douglas Fairbanks returns to the screen in a thrilling sequel to "The Three Musketeers", to be seen at the Vernon Theatre Wednesday. Under the title of "The Iron Mask", this latest United Artists sound presentation emerges as a typical Fairbanks film, replete with daring adventure and delightful romance. Here is an epic of dauntless courage and tender love-making... the spirit of "all for one and one for all"... developed in colorful and absorbing fashion.

Again the dashing Fairbanks is cast as O'Artagnan, the foremost blade in France and Captain of the King's Musketeers. Again, Athos, Porthos and Aramis ride with him through death-defying adventures, for the smile of a fair lady; for devotion to their King. Again audiences will live through those glorious days of chivalry and sword play; of romance and intrigue.

As an added treat, audiences will also hear the voice of Douglas Fairbanks for the first time. These talking sequences, however, are treated in novel fashion. Fairbanks addresses his remarks to the audience, asking them to live again those glorious days when men were bold; when love, honor and devotion were tried by the ringing clash of flashing swords.

FORT WORTH FOR
INTERMENT

J. D. Hagler, Sr., about 68 years old, a former resident of Vernon, died Saturday in Los Angeles, Calif., according to word received here Saturday by J. D. Hagler, Jr., Vernon. The elder Mr. Hagler left Vernon about 20 years ago and moved to Fort Worth. About three years ago he moved to California.

The body will be returned to Fort Worth Wednesday where funeral services will be held. Mr. and Mrs. J. D. Hagler, Jr., and Mrs. Herbert Farrell, a daughter of Vernon, will go to Fort Worth for the funeral services.

Other children are: Mrs. Bert Lisman of Vernon, Mrs. Joe O'Keefe and Mrs. William Hogan of Fort Worth, Mrs. Herbert Gibson of Tulsa, Okla., Miss Katherine Hagler of Fort Worth, Fred, Travis, Clinton, Carroll, and Clifford Hagler of Los Angeles, and William Hagler of Colorado.

Fear Held as---

(Continued From Page 1)

New York Sunday. When the flyers could not be located anywhere in the Azores, fears for their safety began to arrive until it was decided to send destroyers to look for them.

Whether they came down at some isolated point in the Azores, losing the use of their radio on lighting in the water after sending a message of their arrival, or whether they decided to continue straight on to New York without stopping, were questions unsolved early today.

New York, June 24.—(P)—A steamship's report of the sighting of a plane, believed that of an airplane, 400 miles south of Cape Race, Newfoundland, Sunday morning, caused curiosity today as to whether the Spanish trans-Atlantic flyers attempted to cross to the American continent without first stopping at the Azores.

Since more than enough time had elapsed since the sighting of the supposed plane for the Spaniards' plane, the Jupiter, to reach Halifax, or New York, it was presumed that if the plane had made such an attempt it was down in the Western Atlantic or in an isolated spot in the east Atlantic seaboard.

The Radio Marine Corporation picked up a message from the freighter Buffalo Bridge saying that 5:40 a. m. G. M. T. Sunday (12:40 a. m. E. S. T.) in latitude 40:04 north, longitude 50:57 west, it had observed "a flare of light bearing six degrees true at an altitude of ten degrees."

The radiogram added that the object was "apparently an airplane." The position given was approximately 400 miles south and slightly east of Cape Race, on the route the plane probably would have followed had it attempted to cross without stopping. The time, also, was about that the Dornier Wahl plane Major Ramon Franco and his three companions would have required to reach that point.

New York, June 24.—(P)—Cotton opened steady at a decline of 1 point to an advance of 5 points, with July lower under further liquidation. There seemed to be commission house buying of later months on a less favorable view of the weather. Early offering of July were absorbed by trade buying against sales of later deliveries at difference of about 44 points between July and October and the general market was steady after the call. July rallied to 18.03 and December to 18.03, with prices ruling around 8 to 10 points net higher at the end of the first half hour.

The market held steady later. Trade interests seemed to be absorbing the July liquidation at a difference of about 43 to 45 points between July and October and of about 66 points between July and December. This combined with some commission house buying of later months. Absorbed offerings and sent prices up to about 18.70 for July and 18.71 for December or about 10 to 13 points net higher. The market was quiet but within a point or two of these figures around midday.

New Orleans, June 24.—(P)—The cotton market opened steady in response to relatively higher cables. Although July showed no change from Saturday close October and December opened 2 to 8 points up. Values remained at the initial figures for a time but later a good demand from spot interests for July developed.

July traded up to 18.55, October 18.69 and December 18.58, or 6 to 9 points above Saturday's close. At the end of the first hour the market was steady and at the high.

The market ruled steady throughout the morning due to the apparent completion of July liquidation here and in New York. That delivery remained at the earlier high while later positions further improved to 18.41 for October and 18.60 for December, December, or 10 to 11 points above Saturday's close.

SECOND HALF OF SUNDAY SCHOOL CARD OPENS TODAY

INTENSE INTEREST IS SHOWN IN RACE AS CLUBS PREPARE FOR FINAL DRIVE FOR HONORS

The second half of the Vernon Sunday School baseball league season begins today with a game between the teams of the Baptist and Presbyterian Sunday Schools. The game will start at 6:15 on the City Park field.

Buzbee or Carl Simmons will start the hurling duties for the Baptists, and Bourland will probably begin in that capacity for the Presbyterians today, but the remainder of the line-ups are doubtful before the game starts. Several new players for every team in the league will make their debut this week, and fans will see the various managers try out and weed out new players and old ones. An especial effort no doubt will be made to wallopp the Baptists this half.

The Baptists got off to a good start and maintained a perfect lead throughout the first half of the season. Would-be threats were dangerous only a few times, and had the Baptists lost to every serious threat, they would still be in the lead.

The Methodists, runners-up for the first half, were slow in starting, but with the shifting of the line-up and the addition of two pitchers, a bold front was for a time extended into the league play. This front, backed by fair playing but not in the least sensational, won for the Methodists three games and second place rating. They lost both games to the Baptists and the first game of the season to the Presbyterians, the latter's lone victory.

After all, the Christian club offered the strongest opposition and the biggest threat of the league winners, although that team finished the half in third place with only two victories. The game scores for the latter part of the half show that the Christians presented a threat that came very near upsetting things. This called for better work on the part of the winners and runners-up, and a brand of baseball seldom seen in Sunday School leagues or even small town leagues was the result. The second half is bound to see more of this interesting type of baseball, for better and bigger lists of candidates will be presented.

Youth will present itself to the playing interests of the second half of the season with each team represented, according to the managers of the teams. Sunday Schools in Ver-

non yesterday revealed a striking number of younger men present who will try for berths on the teams. The Presbyterian club, undisputed occupant of the cellar, will offer a revised line-up, beginning with the game today and it is safe to expect a brave attempt from this quarter. In Bourland the team possesses a hurler of merit, and with sufficient fielding support, he can give his opponents something to worry about each time the team is on the field.

It is just as difficult to predict the outcome of the final half as it was at the first of the season. A greater interest has caused the enlistment of enough players to present a new team from each organization, and the best of these new players, combined with the cream of the first half should bring out larger numbers of excited fans and supporters.

The league standing at the close of the first half:

Team	P.	W.	L.	Pct.
Baptist	6	6	0	1.000
Methodist	6	3	3	.500
Christian	6	2	4	.333
Presbyterian	6	1	5	.167

Mighty Fleet to Enter Boat Race at Poughkeepsie

Poughkeepsie, N. Y., June 24.—(AP)—Old man river rolling along to the sea has felt the pulsing beats of many a great race, but his ancient depths seemed to quiver with a new thrill today to receive the mightiest college fleet ever brought together for national championship honors.

Drawn up in imposing battle array for the grand climax of the 1929 rowing campaign were twenty-two crews, representing nine institutions from the east, middle west and Pacific coast.

Starting at 5:15 p. m.—(Eastern Daylight Time)—seven will row for freshman honors at two miles, six more boats will go to the marks for the three mile junior varsity race at 6:15, and an hour later, as a record smashing finale, nine slim cedar craft will begin the four mile battle for blue ribbon varsity honors.

YANK-ATHLETIC ATTENDANCE IS HIGHEST EVER

Admission for Five-Game Series in Three Days Total 184,096 —Philadelphia Wins Rubber Contest Sunday.

(By the Associated Press.) That hysteria in and about the Yankee Stadium now is recent rather than current, and the boys are busy checking up the net result, artistic and financial. The Athletics nipped the champions 7 to 4 before some 5,000 in the fifth and rubber game yesterday, but the really important transaction took place in the counting house. Exactly 184,096 New York fans paid their way at the gate in three days, making the series a complete victory for Edward Grant Barrow regardless of what happened to Huggins.

The attendance set a new record for a single series, beating the mark of 177,152 made by the same teams at the same park last September in three afternoons.

Although the victory of the Athletics by three games to two, was of itself, hardly decisive, the lead of the Mackmen was stretched to eight and one-half games, and the impression spread among metropolitan fans that here, indeed, were the coming champions.

The defeat coupled with the 6 to 5 victory of the Browns over the White Sox, dropped the champions into a tie with St. Louis for third place. Detroit nosed out Cleveland by 8 to 7, advancing to within one game of the Yanks and Browns, and Washington won from Boston by 7 to 1 in other American League engagements.

The National League campaign witnessed the third straight victory of the Pirates over the Cubs, 8 to 7. The Reds shaded the champion Cardinals 4 to 2 and the Brooklyn Robins.

DENNY IN AMUSING FLIM AT PICTORIUM TODAY

One of the most entertaining and really funny comedies seen in many months, "Clear the Decks," Universal's latest production, starring the fascinating Reginald Denny, is being shown at the Pictorium Theatre today and Tuesday.

It is a hurricane of laughs and keeps the audience in a constant state of mirth from the opening "shot" to the final "closeup." If the reaction of the spectators is at all accurate as an indicator, this picture should add immensely to Mr. Denny's already overwhelming popularity.

Denny portrays the part of a young millionaire, recently returned from an extensive trip to Africa, who falls in love with a strange girl whom he sees in a dining room of an exclusive hotel. He is unable to ascertain her name but learns that she is sailing that day for an ocean voyage.

CLUBS MOVE TO NEW SCENES IN TEXAS LEAGUE TODAY WITH NORTHERNERS WAY OUT FRONT

(By The Associated Press)
Four southern clubs, somewhat the worse for wear, prepared to open new series today against the fierce northerners.

The bedraggled Buffs, recipients of four straight cuffs from the revived Sports, moved in to battle the leading Dallas Steers, while the Beaumont Exporters, likewise the victims of a sweep series at Dallas, commuted to Louisiana for a go round with the Sports. San Antonio was at Wichita Falls for three days, in which four games are to be played, while Waco prepared to fust the climbing Cats.

Results of the four opening series in the upper county left two series fairly apparent. The strength of the Roberts circuit definitely has settled in the northern precincts after two months of uncertainty. Of the thirteen contests just reeled off, the lads from the south came out on top in just two instances. The second division today is thick with southern clubs.

Then there is the matter of the split season. Even a week ago there wasn't a club president in the state who wouldn't froth at the mouth when a split was mentioned. But just let this go on a few days longer and the matter is apt to be given some very serious consideration when the moguls foregather for their mid-term convention.

Sergeant George Connally, latest addition to the Dallas mound staff, who was taken over the bumps in his initial appearance last week, redeemed himself in a big way as the Steers gave the Exports a farewell boot, 2 to 1. The former White Sox ace limited the Shippers to four hits, a homer by Lyman Lamb producing the only score against him.

The Cubs won their only verdict in four starts at Wichita Falls when Dumovich bested Steengrafe, 4 to 3. In the first of yesterday's double bill, Bill Warwick's homer gave the Cubs the difference. In the second tilt the Spuds bunched nine hits and six passes off Cheeves and Harris to win 8 to 4.

Jimmy Walkup turned in his eleventh triumph when his mates slug-

WIMBLEDON TENNIS PLAY GETS UNDER WAY TODAY

London, June 24.—(AP)—The British championships, greatest of all tennis spectacles, opening on Wimbledon's famous courts today, had an entry list in excess of 200.

The only notable absentee is Rene Lacoste, of France, men's single champion last year. He decided he would have to apply himself to his business at Paris.

god the Indians into submission, 17 to 9, in their final at Fort Worth. Wild Dick Moudy essayed to pitch for the tribe, but was relieved by Messenger before he got anybody out.

The Sports came from behind to win both games of their double bill with the Buffs, 6 to 1 and 5 to 3.

DOUGLAS FAIRBANKS TO COME TO VERNON SOON

The inimitable Douglas Fairbanks returns to the screen in a thrilling sequel to "The Three Musketeers", to be seen at the Vernon Theatre Wednesday. Under the title of "The Iron Mask", this latest United Artists sound presentation emerges as a typical Fairbanks film, replete with daring adventure and delightful romance. Here is an epic of dauntless courage and tender love-making... the spirit of "all for one and one for all"... developed in colorful and absorbing fashion.

Again the dashing Fairbanks is cast as O'Artagnan, the foremost blade in France and Captain of the King's Musketeers. Again, Athos, Porthos and Aramis ride with him through death-defying adventures, for the smile of a fair lady; for devotion to their King. Again audiences will live through those glorious days of chivalry and sword play; of romance and intrigue.

As an added treat, audiences will also hear the voice of Douglas Fairbanks for the first time. These talking sequences, however, are treated in novel fashion. Fairbanks addresses his remarks to the audience, asking them to live again those glorious days when men were bold; when love, honor and devotion were tried by the ringing clash of flashing swords.

WHY OFFER QUESTIONABLE ARGUMENT FOR RIGHT?

To the desk of The Record comes a letter offering a defense for officers who have taken lines in the line of duty in efforts to enforce the prohibition law. The argument naturally stands on a firm foundation, because it is generally recognized that prohibition enforcement officers must deal with a class of people who have robbed themselves of the right to the sympathy of the people. A great number of them are desperate characters and officers are endangering their lives almost every minute in trying to suppress the traffic in liquor. Certainly there can be no argument that prohibition agents have an unenviable task.

But after this letter has made an excellent summary of the situation, enumerating the deaths, both officers and civilians, resulting from attempts to enforce the prohibition law, it makes a spirited appeal for the support of the press. Apparently with the hope of spurring the law abiding editors to denunciation of the methods, the statement is made that "One wet organization I understand has announced that they have 200 news reporters pledged to get their story of the news into the papers." This is rather a questionable statement to be made on no other authority than "I understand," and it causes one to wonder if the same authority is back of some of the information purporting to show that 155 persons killed by Federal officers in their efforts to enforce the prohibition law, all but six possible exceptions were guilty of defying the law.

The officer who is actually forced to kill in upholding the laws of the land needs no defense. He has the good will of millions of right-thinking and law-abiding citizens. Certainly there is no reason for anyone to come to his defense with the questionable argument based only on "I understand." The Record doubts that it is true that bootleggers employed newspaper reporters in large number, and it is safe to say that any editor acquainted with the stringent regulations in effect in almost every newspaper office doubts that papers would continually permit news coming from questionable sources to get into print.

There is no excuse for exaggeration or any effort to win the sympathy of the public with a specious appeal. The people's sympathy is rightly with the law enforcement officers as long as they remain within the pale of the law.

THE MOVIE IMPROVES

Anyone who is a frequent patron of the moving picture show must be impressed by the change that has been wrought by the movietone or vitaphone invention. After several months of operation there can be no doubt that the invention has been welcomed by the public, and is certain of future popularity.

There can be no doubt likewise that the change effected in the general character of moving pictures by the invention is for the better, not merely from the standpoint of entertainment, but from the angle of education and appeal to the better sentiments as well. Adoption of the talking mechanism has made it necessary to eliminate much of the action that characterized the films of recent years, and has made them replete with melodrama. It is encouraging to note that, generally speaking, the best elements of action have been retained and the scenes designed to appeal to baser senses have been eliminated or at least curtailed to a marked extent.

Anyone who saw and heard "The Desert Song" must agree that the so-called talkies have all but brought grand opera to the masses. The trend has been toward this type of picture since the inception of the vitaphone and this film demonstrates that but little, if any, more progress must be made before the laborer in the most remote village can hear and see the most talented singers in the world. What this means to the public we here in Vernon can surely understand. Few people in Vernon have ever had the opportunity to attend

grand opera. Some whose finances are such that they can afford to ignore costs have attended presentations in some of the larger Texas cities, it is true, but the masses hardly know what grand opera is. It does not suffice to argue that it would not be enjoyed by the masses. If the people had the opportunity they could surely cultivate a taste for productions of the higher type. The movietone offers this opportunity. Moving pictures in the past, in order to appeal to the many, have been restricted to too much action that would appeal to the public's desire for the sensational. The talking moving picture has opened a new avenue of appeal, one that lends itself best to the higher emotions. A taste for pictures of the elevating type can surely be cultivated, and it is the duty of the producers to do it. Recent productions indicate that the trend is in the right direction.

Faculty Member Indicted In Murder of Ohio State Co-ed

THEORA HIX

DR. JAMES H. SNOOK

Investigating the brutal "hatchet murder" of Miss Theora Hix, Ohio State co-ed, police at Columbus detained Dr. James H. Snook, professor of veterinary medicine, for questioning. The body of the girl, badly beaten and hacked with a hatchet, was found by boys on a rifle range near Columbus after she had been missing for hours. Dr. Snook was a member of the winning American Olympic pistol team at Antwerp in 1920 and is said to have been a champion pistol shot in former years.

Strike Gunman?

Shooting of Chief of Police O. F. Aderholt at Gastonia, N. C., during a raid on a mass meeting of striking textile mill workers has been laid to George W. Carter as a gunman imported from Philadelphia. He is alleged to have fired upon Chief Aderholt and other officers from a darkened tent along the roadside.

SLAYER OF TWO DIES IN CELL

DEATH OF PRISONER AT EL PASO SAID DUE TO NATURAL CAUSES

El Paso, June 24.—(AP)—A coroner's inquest today considered Jose M. Marin instead of a jury in criminal district court.

Marin was to have gone to trial today on charges of fatally shooting F. J. Lyons and H. D. Oppenheimer, El Paso lawyers, in their office here May 31.

Yesterday Marin was found dead in his cell. Jail officials said death probably was due to natural causes. A post mortem examination was ordered to determine if death was due to poison.

GRAND JURY STUDIES CASE OF GIRL WIFE'S DEATH

Boston, Texas, June 24.—(AP)—Evidence in the death of Mrs. Ocie Nix, 17, who died at her home near here Tuesday, was presented to the Bowie County grand jury today.

Her husband, charged with her death, was held at an unannounced jail where he was taken for safe keeping after mob violence was feared, according to officers.

Mrs. Nix died in convulsions while her husband was working in a field, neighbors said.

HAWKS SEEKS NEW AIR MARK

WILL ESSAY ROUND-TRIP TRANSCONTINENTAL FLIGHT RECORD

Los Angeles, June 24.—(AP)—Captain Frank Hawks took off here at 1 a. m. today for New York City, where he proposes to start a one-stop round trip flight from New York to Los Angeles and return beginning Wednesday at 4 a. m. Eastern daylight time.

Hawks was accompanied in his Lockheed Vega monoplane by Peter Clausen, mechanic, who will condition the plane before its return trip. Captain Hawks expects to take off from New York Wednesday with 600 gallons of gasoline in the hope of breaking the East-West record of 24 hours 51 minutes made last February by the late Captain C. B. D. Collier and the late Harry Tucker of Los Angeles.

Here he plans to have his plane refueled and the motor checked over in less than two hours for the return trip to New York. The pilot said he hoped to make the westward hop in 18 hours and the return flight in 14 to 16 hours.

BRIEFS ABOUT OIL ACTIVITY

Pipeline runs from the Wilbarger County fields showed a slight increase last week over the previous week with 26,501 barrels daily. For the previous week the record was 26,438 barrels.

Foard County runs were doubled with 114 barrels daily registered against 56 for the previous week.

In the Waggoner pasture district there are about 45 wells being drilled in different sections. New locations are also being staked out regularly. Wildcat and approved tracts in this district received the operators' attention during the past week.

An estimated flow of 150 barrels is reported at the L. C. Bradstreet Company's No. C-1 W. T. Waggoner in section 32 block 4, H. & T. C. survey. The sand was found at 2374 and was drilled to 2383.

SUFFERED TWO LONG YEARS WITH STOMACH, SAYS SAN AN- GELO MAN

"Could Not Eat Meat—Afraid to Look At Pork—Took Or- gatore, Can Eat Anything" —Bennett.

"I can positively say that my case is another proof of the wonderful good that Orgatore will do, for I tried it and I have only taken it a few weeks so far, and it has made me feel like a different man," said A. J. Bennett, shoe repair man for R. H. Whittaker Shoe Service Shop, Mr. Bennett resides at 515 E. Nineteenth St., San Angelo, Texas, and has been a resident of that city practically all his life.

"I'm twenty-four years old now and for the past two years I have suffered from a severe case of stomach trouble," he continued. "Indigestion worried me all the time, and finally my stomach went back on me all together. Nearly everything I would eat disagreed with me, the food seemed like it would lodge in my chest and make the most awful pain there. I was mighty nervous and my sleep was all broken. I got so that I could not eat meat, and the sight of pork made me sick. I would have dull headaches all the time and I lost weight and strength until I saw that I had to do something. I read so much about Orgatore, that I tried it."

"I have gained remarkably since I started taking Orgatore. I have almost forgotten what pain and indigestion feels like. I can now eat all the pork and anything else I want. I can drink coffee whenever I feel like it and go to bed and sleep sound all night. I'm gaining strength every day and am in better condition than I ever was in my life."

Most of the so-called stomach, liver and kidney troubles are due to catarrhal inflammation of these organs. Dull throbbing headaches, pains in the pit of the stomach, lost appetite and the persistent contracting of heavy colds are the characteristic symptoms of this trouble from which so many in cities like San Angelo suffer.

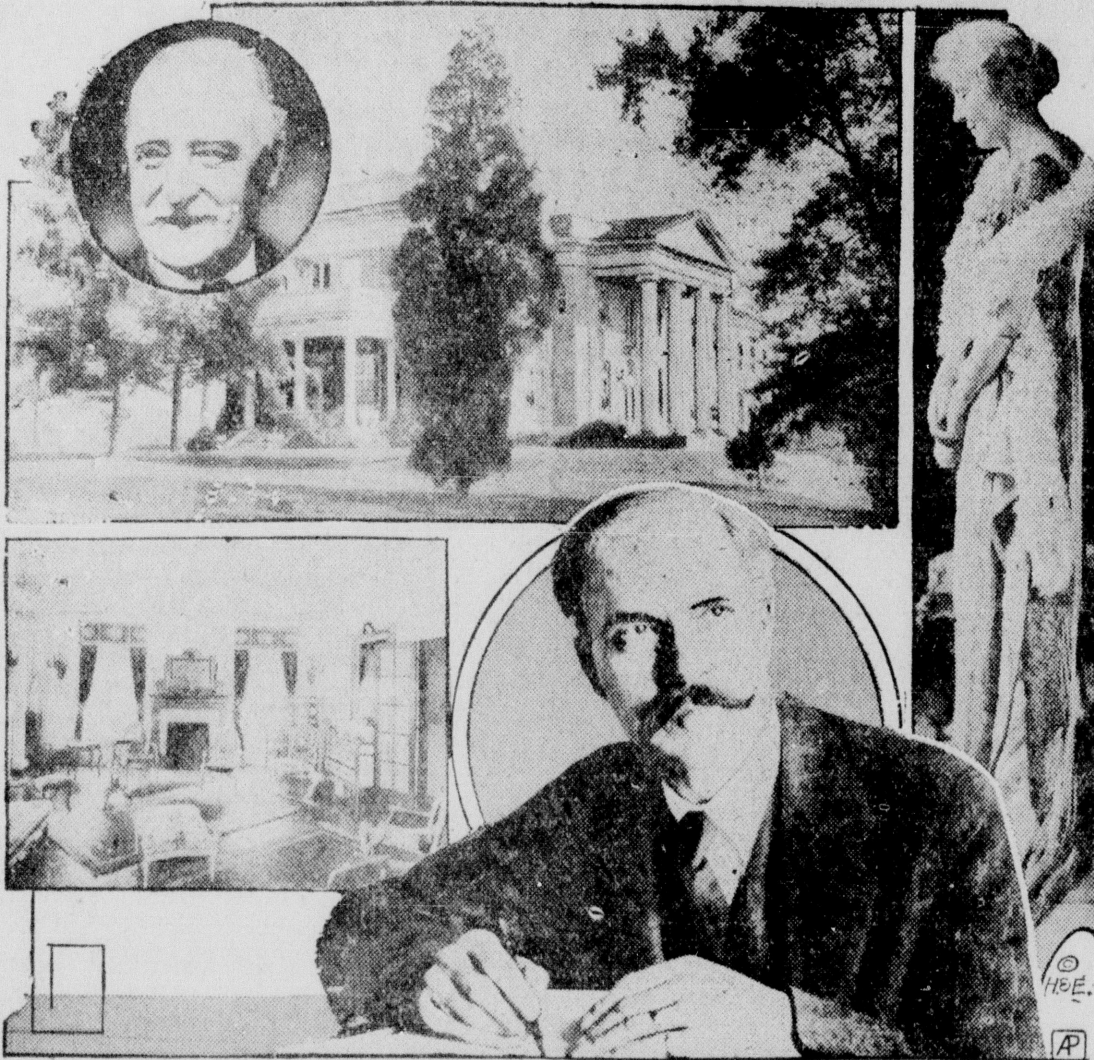

Orgatore, the powerful reconstructive bile treatment, was designed to bring about an astonishing improvement in the spirits, appetite and general condition. Many in San Angelo and vicinity are now testifying that the medicine preserves the strength, gives renewed energy and brightens the spirits, which means lengthening life and an unflinching comfort to the thousands who suffer from stomach trouble and its distressing consequences.

Genuine Orgatore is not a so-called secret or patent remedy but a new scientific preparation and is sold in Vernon, exclusively by the Vernon Drug Co., who are direct laboratory agents.

Tariff Opposition Gains Momentum at U. S. Capital

Washington, June 24.—(AP)—With the Democratic-Republican independent movement in opposition to the House tariff bill apparently gaining momentum, four schedules of that measure destined to be the subject of controversies in the Senate engaged the attention today of sub-committees of the finance committee and scores of witnesses.

Two of these schedules—wool and sundries—were open for testimony for the first time since the committee began its public hearings on the bill, while about 100 witnesses already had been heard on the other two—agriculture, and earths, earthenware and glassware.

Evidence of the growing intensity of the Democratic-Republican independent movement to confine revision to agricultural and related products and to bring about reductions in some industrial schedules was given in statements by Senators Brookhart, Republican, Iowa, and Representative Hull, Democrat, Tennessee.

AMERICAN'S WIFE JAILED IN MEXICO DEATH PLOT

Mexico City, June 24.—(AP)—The Mexican wife of an American citizen was in jail here today charged with attempting the murder of another American in the depths of an African jungle.

The alleged attempt came to light only with the arrest last night of Mrs. Soledad Morales De Learn, whose husband was a professional competitor and rival of William A. King, who captures wild animals and sells them for a living.

King, who recently arrived here with two hippopotami for the Chapultepec zoo, told police he had learned from employees that Mrs. Learn was plotting his death with a view to removing him as a competitor from her husband's business field.

AMARILLO FOR ROCK ISLAND

DENVER APPLICATION FOR NEW LINE OPPOSED BY C. C. DIRECTORS

Amarillo, Texas, June 24.—The application of the Rock Island Railway for permission to build new lines into the eastern part of the Panhandle has been unanimously endorsed by the board of directors of the Amarillo Chamber of Commerce and the petition of the Fort Worth & Denver was bitterly opposed.

The line for which the Rock Island made application would run from Shamrock to Quanah, and would give the company a new line between Amarillo and Fort Worth. The Denver proposed a line from Childress through Shamrock to Pampa.

The resolutions urging the Interstate Commerce Commission to grant the Rock Island's request and to deny that of the Denver were voted after an open and lengthy discussion of the railroad fight now being waged for priority rights in the eastern Panhandle.

Judge J. W. Crudginton declared that "nothing more important has ever faced Amarillo" than the Denver's plan to "cut off a section of the Panhandle and annex it to Fort Worth's trade territory. It is Amarillo's duty to get into this fight with both feet." It was around this statement that the question hinged and the rebuttal of F. B. Poole, division passenger agent for the Denver was not strong enough to oppose the question.

Mr. Crudginton and the directors of the Chamber stated that the proposed Denver line would be a "feeder" branch for Fort Worth, and that it would not benefit any city in the Panhandle. The Rock Island would give the Panhandle a new line and would permit the big wheat tonnage of the North Plains to be handled through Amarillo and on to Fort Worth and Houston, it was declared.

Former Resident of County Buried Sunday Afternoon

Funeral services for W. J. Johnson, 65, former resident of Wilbarger County, who died at the home of his son, S. T. Johnson, in Fort Worth Friday morning after a lingering illness, were held at the Underwood Funeral Home at 2 o'clock Sunday afternoon. Rev. C. A. Bickley, pastor of the First Methodist Church, Vernon, officiated at the services, assisted by Rev. F. D. Pearson, Baptist minister.

Interment was made in East View Cemetery beside the body of his wife, who died three years ago. Pall bearers were four of his sons, Sam, Thomas, W. B., and S. T. Johnson, all of Fort Worth, and two sons-in-law, T. G. Collins and M. B. Couch, of Childress.

Surviving him are seven sons and two daughters, all of whom were here for the funeral. W. B., S. T., Troy, Sam, and Thomas Johnson, of Fort Worth, Wilson and Horace Johnson, of Vernon, and Mrs. T. G. Collins and Mrs. M. B. Couch, both of Childress.

Mr. Johnson resided in Hinds Community and was engaged in farming until about two years ago, when he moved to Fort Worth to live with his son.

RAYBURN SAYS CONGRESS IS MOST DISAPPOINTING

Washington, June 24.—(AP)—Representative Sam Rayburn of Texas predicted yesterday that results of the special session of Congress just adjourned "will be more disappointing to the people of the country than any ever assembled." He criticized the farm and tariff bills as being inadequate.

FLOW BOOSTED IN THALIA TEST

DISCOVERY WELL NOW HAS TWENTY FEET OF PAY FORMATION

The Shell Petroleum Company's discovery well in the Thalia field, No. 1 Tarver, is now in twenty feet of sand at a total depth of 2,035 feet. After two days of drilling, deeper into the pay, with a good increase in the flow showing. The amount of the increase has not been gauged and could not be learned definitely.

The well located in Foard County, section 3, H. & T. C. survey, is one mile north of Thalia. A rotary rig is being used in drilling. The well was flowing 300 barrels at the last gauging late last week.

A location for a test has been made between the Fluhman and Thalia fields on the S. N. Gosnett place by W. T. Knight in section 6, block 8. This test is expected to be spudded in soon. A second location in this district has been made in section 8, block 9. Both of these locations are in Wilbarger County.

The Bass-Dillard well in section 276, H. & T. C. survey, about a mile west and north of the Shell Company's producer is now at the 1,800-foot level, and temporarily marking time with a fishing job. A standard steel rig is being used at this location.

A rig has been constructed in section 364, H. & T. C. survey north of Margaret in Foard County and drilling is expected to start at once. Other locations have been made in section 327 and section 43, both in the H. & T. C. survey and will probably be spudded in shortly.

VISCERA OF BOWIE COUNTY WOMAN TO BE EXAMINED

Texarkana, Texas, June 24.—(AP)—The viscera of Mrs. Chester Peady, 24, who died Thursday at her home near Spring Hill, Bowie County, was en route to a state chemist at Austin today to determine if they contained poison.

The action was at the request of her father, Ed Hutchinson. Mrs. Peady died in convulsions and was buried Thursday. Later, the father said he wished to clear up more definitely the cause of his daughter's death, and the body was exhumed.

CONVENT DESTROYED BY
FIRE AFTER LIGHTNING

Montreal, June 24.—(AP)—The convent of the Sacred Heart at Sault Au Reclot was in ruins today. Fire, discovered half an hour after lightning had struck the roof, burned the structure yesterday.

All of the occupants, including 22 convalescent nuns, escaped. The four-story stone building and its contents were a loss, estimated at \$1,900,000.

LOCKETT GIRLS ENTER TRYOUTS

WINNING DEMONSTRATION TEAM WILL ATTEND SHORT COURSE

Team demonstration tryouts for girls clubs representing seven counties is being held today at Lake Pauline, Miss Emma Gunter, home demonstration agent, announced this morning. Miss Gunter left today for Lake Pauline with Miss Alice Standlee and Miss Alene Richie of the Lockett girls club who are entering the contest from Wilbarger County. The Lockett girls have kitchen equipment as their demonstration projects. Girls are entered in the contest from Wilbarger, Wichita, Foard, Hall, Childress and Motley counties. A similar demonstration is to be held later for the other seven counties in this district. The district team winner will be sent to Texas A. & M. College during the summer short course from July 29 to August 2.

Cream Production in County Is High in Three Months

Records of the Vern-Tex Dairy of Vernon show that the dairy farmers of Wilbarger County have furnished 7,479 pounds of cream since March 11, this year. The highest amount furnished during a single period was from March 30 to May 8. During that period 3,048 pounds were furnished. Other periods are, March 11 to 30, 1,209; May 8 to May 31, 1,734; June 1 through June 18, 1,488.

COUNTY TRUSTEES TAKE EDUCATIONAL MAGAZINE

Several trustees of Wilbarger County rural schools have subscribed to the Texas outlook, educational magazine recently, Ercell W. Brooks, County Superintendent, said today. The magazine is sent to trustees of schools at a special low rate and carries information on state educational development.

The trustees who have subscribed to the magazine are: Karl Guggisberg, Guggisberg district; P. B. Barrett, Garland Elliott, and E. L. Schure, Hinds; D. G. Glass, W. L. Cheatham, Clarence Morris, Midway; Frank Tomsu, Jim Long, C. L. Wiedersanders, Oklahoma.

Club Program for Week Closes With a Moving Picture

Miss Emma Gunter opened this week's activity with the ladies' and girls' club of Wilbarger County with a trip to Lake Pauline with the Lockett girls club team to be entered in team demonstration contests there today.

Tuesday the Guyer girls' club will meet with Mrs. Edgar Kirks for a regular club session.

Miss Gunter will go to Crowell Wednesday where she will judge a house dress contest of the ladies clubs of Foard County.

The Lockett girls club will meet on Thursday, and the Mack girls' club meets Friday with Miss Louise Reed.

SALE OF DAIRY PRODUCTS SHOWS INCREASE OVER 1928

The 1928 feed shortage has not affected the sale of dairy products in Wilbarger County apparently, R. E. L. Pattillo, county agent, said today. A check of the cream sales of the county shows that the production for the first six months of 1929 is higher than the first seven months of 1928. Feed that is being bought in the county however, continues at a high price but seemingly does not affect production, Mr. Pattillo said.

CLUB BOYS HEAR DAIRY AND CAPONIZING TALKS

Instruction on dairy judging and on caponizing chickens were the subjects discussed at the 4-H Club meeting at the Doans and Sherwood clubs last week with R. E. L. Pattillo, county agent, in charge, said today.

The boys present at Sherwood were: John Smith, Herman McDaniel, Leonard Mills, Lester Smith, Gerald King, Roy Jones, Kermis Ammons, Cleburn Jones, Doyle Stroud, Joe Harmon, Howard Smith, Dale Smith, Leslie Hamilton, and two visitors, Billy Stroud and Mr. Claud Jones.

Applications for employment will be received Monday & Tuesday. First floor Wilbarger Hotel. Montgomery Ward & Co. 199-31p

ERA OF SUPER FARMS IS SEEN

NEW AGE OF AGRICULTURE ECONOMICS PREDICTED BY TRACTOR HEAD

(By The Associated Press)
Chicago, June 22.—(P)—Milton W. Anderson, president of the newly organized United Tractor and Equipment corporation, prophesies a new era of agricultural economics.

He sees farmers of exceptional ability operating chains of farms, believing that chain farms are the logical complement of chain stores, chain theaters and chain factories. The United Tractor and Equipment corporation is a co-operative movement of 40 independent concerns dealing in tractors, farm implements and industrial equipment.

Mr. Anderson acquired his early training in the mining camps of Alaska. During the war he supervised extensive construction projects at Camp Kearney and North Island, San Diego Bay.

When the war was over he entered the tractor business in San Francisco and became the dominant figure behind the amalgamation of various leading companies in the industrial and farm equipment field.

The combined assets of the companies forming the group are \$125,000,000. The list includes 19 manufacturing members and 19 distributing members. Geographically the units spread their activities over an area that includes Wisconsin, Tennessee, California, Indiana, Iowa, Pennsylvania, Illinois, Alabama, Maine, Ohio, Oklahoma, California, North Carolina, Michigan, British Columbia, Oregon, Minnesota, North Dakota, Nebraska, Texas, New York, and Louisiana.

Vernon Hatchery Plans Expansion for 1930 Season

An expansion program for the Vernon Hatchery for the 1930 season has been announced by Adam Donges, manager of the hatchery. The hatchery at present has an egg capacity of 45,000 and is to be expanded to a 75,000 egg capacity, according to plans announced this week.

For the season of 1929 the Vernon Hatchery produced 150,000 baby chicks. The production for 1929 increased to 190,000. The majority of the chicks produced were sold in Wilbarger County. At the present rate of production all chicks consumed here will be home produced, R. E. L. Pattillo, county agent, said today.

Local produce men have been forced to buy both eggs and poultry from Oklahoma and other north Texas counties. If present trends continue Wilbarger County will use only home-produced eggs and poultry in the future.

PRODUCES 675 BALES OF ALFALFA FROM 15 ACRES

J. F. Carmichael of Odell had a good yield of alfalfa this season, cutting 675 bales from 15 acres. This will make approximately one and three-fourths tons of hay per acre to date. Alfalfa is quoted on the market at present at about \$20 per ton.

DAIRYING WITH SIX COWS SHOWS PROFIT IN COUNTY

Ray Billings, farmer four miles north west of Vernon, is milking six cows at present, and a check on his books shows that he is clearing between \$50 and \$60 per month on his cows, after paying feed bills. The cows are paying Mr. Billings at the rate of about 60 cents per hour for time spent in milking and feeding. It requires about three hours to do this work daily.

At the close of the afternoon, a delicious refreshment plate was served to the guests by the hostess.

Children's Day Pageant Given at Methodist Church

A large crowd attended the presentation of a New Day, given by the members of the Methodist Sunday School at the church Sunday evening in observance of Children's Day. The stage of the performance was centered with a white throne and a lighted white cross, with baskets of flowers and ferns adding to the effectiveness of the setting.

Columbia, depicted by Mrs. J. B. Lawson, sat on the throne. She was costumed in a red, white, and blue Grecian robe and wore a silver crown. Miss Annie Fern Bickley played the organ during different scenes of the play and accompanied the choruses sung during the production. The different characters and parts played in the pageant showed how the Sunday School work's scope included all classes of people and was far-reaching in knowledge.

The principal characters, who were costumed in Grecian robes of green, blue, white, pink, and yellow and wore silver head dresses, were: Mrs. W. P. Thomas; Education, Mrs. Robert K. Tabor; Religious Education, Miss Annie Lacy; Prosperity, Miss Catherine Pigg; "Happiness," Miss Corinne Pigg; "Religion," Mrs. C. A. Bickley.

The Sunday school departmental superintendents who represented their departments with others were: Mrs. L. D. Terrell, beginners' department; Mrs. W. R. Keeton, primary; Mrs. J. O. Haymes, junior; A. E. Traeger, Intermediate-Senior departments; and W. R. Keeton, adult department.

Processions of the Sunday School children depicting spirits of the poor, the sad and sorrowing, spirits of neglected boys and girls, and spirits of the seekers after pleasure, also added to the moral issue of the pageant. At the close of the presentation, Rev. C. A. Bickley, pastor of the church, delivered the benediction.

HARD WATER PLUS MELO MAKES SOFT WATER.
Reg. U. S. Pat. Off.

Oh, so clean!
Oh, so white!

CLEAN, white clothes. They were washed. They were scrubbed. They were rinsed. But not in hard water. For hard water mixes with the soap and forms scum. The scum gets into the fabric. No, these clothes were not washed in hard water.

Soft water cleaned these clothes. It was hard water at first, but Melo was added. What a cleaner Melo made that water, with or without soap! How clean and white the clothes were! How much more effective the soap was! Get a can of Melo today at your grocer's.

EXTENSIVE PLANS UNDER WAY FOR CELEBRATION TO BE HELD IN VERNON ON JULY FOURTH

Extensive plans are under way for a colorful July Fourth celebration, according to Grady Shipp, secretary of the Vernon Chamber of Commerce, in general charge of the plans.

A monster parade, headed by the Chamber of Commerce band, will form at 9 a. m. on the day of the celebration. Prizes will be offered for unique combinations, it was stated. A prize will be given to the owner of the most beautifully decorated automobile or float, and to the community from which this float comes. Every community in this and surrounding counties are invited to take part in the parade, and throughout the entire celebration. Mr. Shipp stated. There is no limit as to location or distance.

Following the parade, the dedication services for the new County courthouse will be held on the courthouse grounds. A baseball game between Fargo and Oklaunion will be played following the services at the courthouse.

Just before noon there will be a meeting of all pioneer settlers who are present in the district court room. Mrs. Bertha Ross will preside at the meeting. Invitations have already been mailed to many old settlers of the district by a special committee.

At noon a huge barbecue will be served at Allingham Park. Plans for the feast have neared completion, Mr. Shipp said.

Immediately after the barbecue, dedication services for the municipal building will be held at the City Hall. A second ball game will be played at 2:30 between the Phillips Petroleum Company team and Harold. The winner of the morning game and the Phillips-Harold game will draw to play Thalia in the third game for the day.

Following the last ball game, the crowd will trek to the Vernon Airport where dedication ceremonies for that construction will be engaged in. Visiting planes will be there and will entertain with stunts and rides, Mr. Shipp said.

The program will conclude with a final splurge at the City Park at night. It is possible that a big display of fireworks may be arranged at this hour. Forty rounds of boxing are being planned for special entertainment of the evening. Dr. W. L. Rhodes has charge of the boxing tourney.

Prizes that will be awarded for the parade contestants will include one for the largest family in one automobile, another for the family who comes the greatest distance, one for the oldest settler who is now or has been a resident of Wilbarger County, and a fourth to the owner of the oldest automobile operating under its own power in the parade.

J. B. Lawson is general chairman of all committees working toward the perfection of plans for the celebration. O. L. Pearson, A. N. Vernon, E. O. Youngblood, S. W. Bailey, and

Robert Sparks will serve as a general committee in charge of the celebration. The program committee consists of J. B. Martin, chairman, M. A. McHenry, C. D. Greene, M. R. Sewell, and A. J. Schell. Mr. Vernon and Mr. Bailey will have charge of the barbecue. Mr. Youngblood will take care of all athletics except the boxing exhibition. Robert Sparks will direct the parade, it was stated.

Public Mass To Be Held Saturday in Mexico City

Mexico, City, June 24.—(P)—The first public mass in Mexico since August 1, 1926, will be said at the Church of Nuestra Señora De La Guadalupe—our Lady of the Guadalupe—Mexico's national shrine, next Saturday, the feast of Saint Peter and Saint Paul.

Pascual Diaz, newly appointed archbishop of Mexico, in a published statement today said that while the task of taking inventory of the churches and their delivery by the Government back to the episcopate necessarily would take some time it would be rushed to completion in the case of the Guadalupe Church for the Saturday service.

MRS. BICKLEY TO TEACH BIBLE LESSON TODAY

Mrs. C. A. Bickley will teach the Bible lesson this afternoon when the Women's Missionary Society of the First Methodist Church meets at the church. The lesson will be taken from the seventh chapter of the mission study, "Spiritual Adventuring" on the subject of "Avocation versus Vocation."
